Project Specifications

Hi Paschal,

It was a pleasure meeting you earlier and discussing your bathroom renovation. West Shore Home proposes the following:

Services Included

- * Remove existing shower surround down to the studs.
- * Treat any mold/mildew found and any rotted wood found.
- * Replace the drain, p-trap, water lines, etc.
- * Overlay / Demolish existing flooring
- * Complete garbage haul away leaving home broom swept clean.
- * Remove and dispose of all old building materials/debris.
- * Lifetime warranty on products/materials.

Products Included

- * Install new shower base (premium acrylic).
- * Install new wall surrounds up to the ceiling.
- * Install new Moen Professional grade 4-Function shower head and mixing valve.
- * Install one 12" & one 24" modern grab bars on wing wall and soap-dish wall.
- * Install one Tension Shower Curtain Rod.
- * Install three metal corner shelves.

Color Selections:

- * Wall Surround: Theian Ivory
- * Fixtures: Brushed Nickel

Thanks again for having us out to your home! Please don't hesitate to reach out when you're ready to get your project started. Text messages will be the fastest way to contact me.

I look forward to earning your business!

Warm Regards,

Proposed Work

Standard Shower**Quantity: 1**

Plumbing valve on right wing wall and shower head on left wing wall

Project Details

West Shore Home will remove the existing shower or bath unit and plumbing from the P-Trap up to the shower arm. This quote includes reinforcing backer walls to support new wall materials and grab bars, cleaning normal mold accumulation, spraying anti-microbial spray, leveling or replacing subfloor as required, and installation of the new shower or bath unit. This quote also includes cleanup and removal of all debris from the demolition and installation of the new shower or bath unit. Drop cloths will be placed in the traffic areas of the home where our employees will be walking.
